Sliders Ultimate patio door strength and beauty

There are absolutely no compromises with the Ultimate patio door range from Sliders. Stylish, strong and energy efficient, it is the first door to be granted Secured By Design status - the Police's highest security accolade.

The Ultimate patio door range will introduce a whole new lifestyle option to your home, opening up your room and allowing you to effortlessly merge your indoor and outdoor spaces. And it's the most secure patio door available - giving you total peace of mind.

Choosing the right patio door is vitally important. You want a design that will blend easily into your existing building whilst still making a strong visual statement. The Ultimate patio door provides all this and more.

The unique low-profile design ensures your room will feel instantly brighter and uplifting, bringing the outside in, creating a whole new living experience.

But it's not just the visual appeal that sets the Ultimate range apart.

No Compromise - Superior Strength

Householders will no longer sacrifice strength and energy efficiency for the largest window in their home, the patio door. That's why each Ultimate patio door is manufactured using the highest grade materials and to the finest of tolerances to provide a tight seal that keeps the winter's chill and summer's heat at bay. In short, patio doors you can live with for a long, long time.
